ASSIGNMENT FOR FRONTEND DEVELOPMENT CANDIDATES

Dear Candidates,

We are, hereby, mentioning the breakdown of the steps that you need to go through to get your assignment done.

Given:-

- We are providing you with UI design of a page named- **LANDING PAGE**. It has got a background image along with the specified content.

- The slider image can be altered i.e. any image can be used .

To-Do:-

- You have to make a design as per the provided UI using REACT JS, Redux.
- The design should be made responsive.

N.B:-

- You have to submit your assignment tomorrow i.e. **7th April 2021 by 10:00AM** .

- **After completion you have to upload the project to your Google Drive in a ZIP file format and share the link with us by changing the "*Link-sharing options*" from "*Restricted*" to "*Anyone with the link*".**

Regards,
